

Suitable for

ALL INDOOR METALS

INOX PROTECT (dry, hard wax)

The smartest way to protect and optically upgrade stainless steel – an absolute necessity for all stainless steel surfaces

Quickly cleans and provides long-term protection from fingerprints and stains for decorative surfaces, **giving them a transparent, protective layer of hard wax.** Ideal for visible stainless steel surfaces of all kinds, kitchen panelling, ground stainless steel lift walls, railings, rods, pipes, stainless steel tables, and much more. Can also be used for all other metals. Spray it onto parts and distribute it by rubbing with a microfibre cloth; after a few seconds, polish with a second dry microfibre cloth. **All parts will look completely new** and can simply be re-polished dry at any time until the agent is re-applied.

Technical data:

Packaging	Contents	Packaging unit	Article number
Spray bottle	50 ml	1	40040m
	500 ml	1	40040
Can (including spray bottle)	5 litres	1	40041

Larger sizes are available on request.
