Product features

- Home users, cycling team mechanics, world travelers and others cyclist can use the Unior 1753/6 truing tool to work on wheels anywhere they go. With the velcro strap the tool can be mounted to any front fork and rear seat stay of the frame.
- The indicator is then used normally as on other truing stands. The tool can be also used for truing rotors.
- The 1753/6 pocket truing tool is light and small and easily fits in any back pack.
