

# Flywheel puller with external thread

3055/4B

## Profiles

[\\_\(/eng/support/warranty\).](#)

## Product features

- material: premium plus carbon steel
- surface finish: blacken to standard DIN 50938
- all treads are right hand

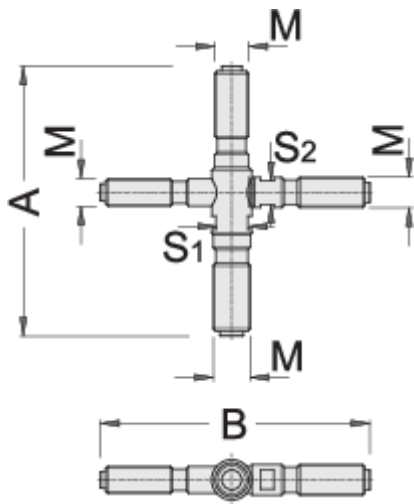

## Advantages:

- The tool has 4 different sizes of external thread, thus enabling coverage of the majority of motor types that have a flywheel with an internal thread.
- allows flywheel removal without pulling motor from hull
- On each axis, there is an attachment for an open-end

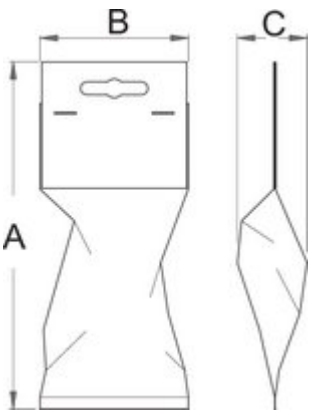

wrench that makes the removal of the magnet easier.

Usage:

- for removal of the flywheel with internal thread
