Product Information – File Sander Belts (80 Grit)

Product Code: FILESANDP80

Barcode: 0849713048370

Bullet Points:

1. Fits the Evolution File Sander
2. High performance for the home or tradesman
3. Ideal for sanding steel, solid wood, chipboard and paint removal
4. 3 sanding belts included (80 grit)
5. Belt dimensions of 13 x 457 mm

Description:

These belts are a perfect fit for the Evolution File Sander. The 80-grade belts are ideal for sanding solid wood, chipboard and paint removal. 100-grade belts are suited for plastics and acrylics and 120-grade belts are ideal for veneered wood. The coarser paper grades remove the unwanted material faster and with less effort.

Box Contains:

– 3 x Sanding belts (80 grit)
